

Regional Championships 2026 – Running Order

The Regional Championships 2026 will be held at Pegasus Gymnastics Club, Units 2,3,4 Farleigh Hill, Tovil, Maidstone, ME15 6RG on **Sunday 19 April**.

This document contains everything you need to know about the event. There will be no programmes for sale on the day. Please copy pages from this to distribute to parents as appropriate.

If there are further questions, please direct them to Richard Kasley.

Information for spectators

There is no charge for spectators. Each club is allocated 2 spectator seats per gymnast in that round. Please ensure this is adhered to; there will not be enough seating otherwise.

Parents are requested to ensure they only take images and videos of their own child. Please be sure other gymnasts do not appear in the background of your images. This is especially important for images posted on social media in any form.

Medals and trophies

There will be apparatus medals as well as all around medals.

Only Gold apparatus medals will be presented in categories containing 4 gymnasts or less.

No all-around medals will be presented to gymnasts who do not perform on all apparatus.

Last year's trophy winners

Trophies will be awarded to the all-around winner in each category in the National event.

Please ensure you return your trophy from last year. Please ensure it's clean, engraved, and ready to be handed out again.

National	U12	William Brierley	Wok
National	U14	George Pattison	Haw
National	U16	Ben Porter	Wok
National	U18	Ethan Grier	L&D
National	Snr	George Ainley	Tol

President's Trophy

The President's Trophy is presented to a club (not an individual gymnast) for performance within the region during the year.

Results from the following regional competitions are counted towards the President's Trophy:

1. Regional Championships: All national levels
2. Regional Set-work Qualifiers: All in age categories

The *scores* from gymnasts placed in the top three of each of these categories are added towards the club total for President's Trophy.

The trophy will be awarded at the end of the last event in the series (Regional Set-work Qualifier).

Judging allocation

Each club must supply one suitably qualified judge for the entire day. The club must pay this judge's expenses. Clubs who do not supply a judge will be charged £100 to help us to fund judges from outside the region.

This will not provide enough judges for the event; some clubs must provide more than one judge. The region will pay for these extra judges.

There will be a judges' meeting at the start of the day and between rounds.

You should direct any judging queries to Craig Woodhams.

Clarifications to regional rules

This event uses the same rules as used at Pipers Vale. Any modifications applied at Pipers Vale will be adopted for this event.

Venue, equipment and space

Please ensure your gymnasts stay in the allocated areas when they are waiting to compete.

No outdoor shoes in the gym for coaches, gymnasts, spectators or judges.

No food or drink of any kind in the gym (including gymnasts' drinks). Drinks can be kept in the changing rooms.

Running order

Each round begins with a 15 minute general warm-up on the floor area.

Then, gymnasts gather at their first piece to be presented to the audience.

There will be a 15 minutes apparatus warm-up on each piece with the gymnasts competing directly afterwards.

Gymnasts may have unlimited touches on vault (within the time constraints).

Round 1

Regional Under 8, Under 9, Under 10, Under 16

Registration	09:00
General warm-up	09:30
Presentations	12:30
